## Principal's Message

Dear friends,

MARTHOMEX 2025, with the theme "Where Roots Speak, the Future Listens", brings together the fields of science, technology, arts, history, culture, and sports, sharing possibilities that lead to the holistic development of students. Our goal is to help students pursuing higher education understand the possibilities of new academic transformations in the higher education sector of Kerala. The expo highlights the honoring of Perumbavoor G. Raveendranath, the maestro who made deep imprints in the arena of music. Renowned dancer and actor Smt. Asha Sharath, our alumnus, will elegantly perform at the Valedictory Function. We believe a college should grow with its community and we would love you to be a part of that growth by joining us for MARTHOMEX 2K25. A warm welcome to all.

With regards,
